Letter from G.W. Wells Esquire, M.A., I.C.S., Collector of South Kanara, R.O.C.No.1001/30-A.6, dated the 27th June 1930.

REFERENCE.

(R) In their Order No.549 Misc., Revenue dated the 19th March 1929, Government sanctioned the alienation of R.S. Nos.148-A and B of Attavar village, Mangalore taluk measuring 1.78 acres in favour of the Municipal Council, Mangalore, for use as the site of a public recreation ground. It has been laid down in condition (2) of the G.O. that the Municipal Council may pull down the old light house building and that the Council shall credit to Government the net proceeds of

the sale of the materials after deducting the cost of demolition. The Chairman, Municipal Council now states that it is proposed to repair the light house instead of demolishing it and that immediate arrangements are being made to effect the repairs. The Municipal Council has agreed to pay the present value of the buildings - viz., Rs.200/-. The land occupied by the light house measures 564 square feet. It is not likely that the building will interfere in any way with the use of the site as a recreation ground. The Board therefore requests that condition (2) in paragraph 2 of G.O.No.549 Misc., Revenue dated the 19th March 1929 may be suitably modified.
